This is a circular digital instrument cluster. The top left and right segments show a speed limit of 83 km/h. The center features a large white '0' indicating the current speed, with 'km/h' to its right. Above the speedometer is a battery icon and '83 km', likely representing the remaining range. Below the speedometer, the odometer shows 'Odo 003151 km'. At the bottom, a green bar indicates the 'ECO' mode is active, with a leaf icon. On the left and right sides of the bottom bar are gear shift icons for 'F' (Front) and 'R' (Reverse), each with a percentage symbol above it.
